83.6%

EXTRA-CURRICULAR ACTIVITIES

Good at sports And athletics

Won many prizes in school

Have SCOUT training(Two camps)

ACADEMIC PROJECTS

MessAutomation (2020)

This was a website where I have worked as a frontend developer and have done some work in creating databases. We have developed this to make our mess online, where student can order food online.

VideoPlayer (2020)

In this project I have developed a mobile base application that is a video player. That was an individual project so I have worked as a frontend developer.
